

Dear Families of OLMC School,

We are looking forward to a great year at OLMC!! If you are a returning family, or a new family, we welcome you to the start of the 2016-2017 school year. Here at OLMC School, we participate in some of the give back rewards programs that local businesses and national brands offer. The generous rewards these programs give our school are a tremendous help. And we could not reap all the benefits of these programs without your help. We have several contests throughout the year that are a great time to send in the clipped rewards you have been collecting, or you can send them in anytime, or drop them in the receptacles near the front lobby of the school. Don't forget to get family and friends to collect for you, as well as link their Farm Fresh, Harris Teeter, Kroger and Martin's cards for OLMC School.

If you have any questions about Give Back Rewards please do not hesitate to contact the coordinators:

Traci Fitzpatrick – traci2468@aol.com

Cheryl Watson – cwatson451@verizon.net

Thank you for your continued support!!

The following is information about each program we participate in. Please consider joining in to help make them all a huge success and please keep this as a guide to the programs you can help with.

Harris Teeter Together in Education – this program is simple. Just re-link your VIC card to our school each year and a % of your Harris Teeter Brand purchases will be credited to OLMC. Remember, **you must re-link each school year**. You can go on to www.harristeeter.com, click the Together in Education button and click on "Link to Your School". Or, you can simply give the cashier our school code, **2553**, and your VIC card when you check out next and your card will be linked for you! If you are a new Harris Teeter shopper, please make sure you designate OLMC School when opening a VIC card. You can also ask friends and family to designate OLMC on their VIC cards!

Farm Fresh 1234 for the Community – Farm Fresh has changed their program and now it is easier than ever!! NO MORE RECEIPTS! YAY! Earning credit for free school equipment is now as simple as scanning a key tag. We no longer need to collect, count, bundle and mail receipts to earn free equipment. Just have the cashier scan your key tag before your transaction is complete to earn credit for OLMC!! The key tag is linked to our school ID. It's that easy!! If you would like extra key tags for grandparents or other family members, or even friends, just see Julie in the school office.

Kroger Community Rewards Program – You can link your Kroger Plus card to OLMC School at www.Krogercommunityrewards.com. And OLMC gets a give back % of all purchases when cards linked to our school are swiped at time of purchase.

Tyson's Project A+ - This is a label program. Clip the labels off of Tyson products and send them in to the school. Look for the label that says "Support Your School" on Tyson Chicken products.

Box Tops 4 Education – This is a label program. Just look for the Box Top label on 100's of participating products and clip it and send in to the school.

My Coke Rewards – This is a points program. We can redeem codes you send in for points toward cash for our school. Just send in the rewards code found on coke products. If you have a My Coke Rewards account of your own, you can donate points to our school when you enter your codes.

Martins Foods Grocery Store- You must designate OLMC on your BONUSCARD. The school ID is 26670. A portion of your purchases is given to OLMC. Please visit www.martinsfoods.com/aplus to sign up OLMC as your school of choice.
