Keepsake Ornaments

Our Lady of Mount Carmel School is offering ornaments that are a distinctive keepsake and a unique memento.

The ornaments are made of fine pewter and are completely handcrafted in the United States. These custom ornaments are produced with the highest quality possible, and include individually hand poured castings. These castings are antiqued and then hand finished, bringing out the delicate highlights. The maker of this ornament has designs that are collected internationally, and are a part of the White House Collection of Christmas ornaments. These quality heirlooms are on sale for \$20 each, and make a thoughtful and personal First Holy Communion, Graduation, Confirmation or Grandparents Day gift. If you would like two or more ornaments, they are on sale for \$15 each. Ornaments can be picked up in the Front Office, or you can fill out the order form below and return it to school. Checks can be made payable to OLMC School.
