"Contemplating Christ in the School of Mary"

Welcome OLMC Alumni!

Our Lady of Mount Carmel School is celebrating fifty-five years of providing excellence in education. Our history has always been one of growth. From our humble beginnings in 1954 as a three-classroom school, OLMC School has flourished to providing our community with a campus that serves 450 students from pre-kindergarten through the eighth grade.

As an alumnus, you are a part of that growth – the foundation that our school has been built upon. If you are an alumnus, parent or grandparent of alumni, past faculty member or friend, we would love to hear from you. We publish a quarterly newsletter to keep in touch and to share the wonderful accomplishments of our school – past and present.

Please take a few moments to complete the alumni questionnaire. Share any memories that you have of your experience here and bring us up to date on what you are doing today. We will keep you updated with our news and help you to reconnect with old friends.

We welcome you to please stop by the school the next time you are in the neighborhood. We believe that you will agree – OLMC is a great place to be!

Go Crusaders!
