

HANDPRINT TILES

Whether it is for the first day of school, graduation, or the birth of a sibling, our new tile wall will create a memorable work of art that will last for generations. Please see the beautiful display of handprint tiles in our school cafeteria. If you would like to have a handprint/baby footprint tile for your child, grandchild, or teacher to be added to the wall, they are now available for purchase. Names and dates will be put on them and, once they are ready, the tiles will be hung in the school cafeteria. If you are interested, please complete the form below and return it with your payment marked "handprint tile". We will contact you to set a date to make them. Thank you!
