1. Menus will be sent out by the 2nd Tuesday of each month with a return date of the 3rd Tuesday to place orders with vendors with the exceptions due to holidays and the first day of school.
2. Please be sure to check your math.
3. Return dates must be met. We have to count monies and lunches to place orders.
4. Credits cannot be given due to monthly orders with vendors
5. Field trips will be noted on menus as given by teachers, but please be aware that sometimes field trips come up at the last minute. On these days, lunches can be picked up at the end of the day if ordered and they can be packaged.
6. You can purchase Milk and Ice Cream Tickets on the menu form. Please follow the classroom procedures. Ex. Kindergarten is allowed ice cream once a week so if you purchase 18 ice creams, it is for 18 weeks. Teachers in each grade will give you their guidelines and expectations on Back to School Night.
7. When ordering lunches, please be sure that each child has their own menu and their name is on the menu.
8. For multiple children in a family, one check can be written for all menus.
9. OLMC School has the option to modify the menu throughout the year.
10. ***Please be sure that your child has a lunch daily either through the school or from home.***

It is always exciting to see your children's faces as they come to get their lunch and we look forward to serving your children with excitement this year.
