*From him the whole body grows, fitted and held together through every supporting ligament. As each one does its part, the body grows in love.

One of the many wonderful things about OLMC School is the number of opportunities to become involved in the school community. This is such an important aspect of our school, that it is even incorporated in our mission statement—"to unite with family and community". Listed below are some of the events that we will be holding this year. We invite you to share your gifts with us as we form friendships and work towards the mission and vision of our future.

FUN FAIR—October 24—Open to the entire community and held on the school grounds, this event is packed with fun games, food and lots of entertainment.

The purpose of this event is to bring together the parish and school community and to showcase the talents and accomplishments of our students. This year we are celebrating our 55th Anniversary and our Blue Ribbon designation.
